It's not often you get to see this much pussy, ass, and tits, unless you're a regular reader of ours. Of course, even as one ours, you might be amazed at the amounts of pure filth we have for you this month! Naturally, it's balanced out by the beauty of our babes, but you will be happy to know that every single slit in this issue is either crammed with cock and cum, or is begging to be filled with the same. We're keeping the streak alive. A dirty, nasty streak. Hey, if you want to read about a real dick hungry gal, check out our interview with Jenna Presley! It almost made one of our associate editors cum in his pants. Then, check out all the slit licking in "Road Queens 13". Hooray for pussy!

# MY SEXY SECRET!

## "HOT FOR HER FRIEND"

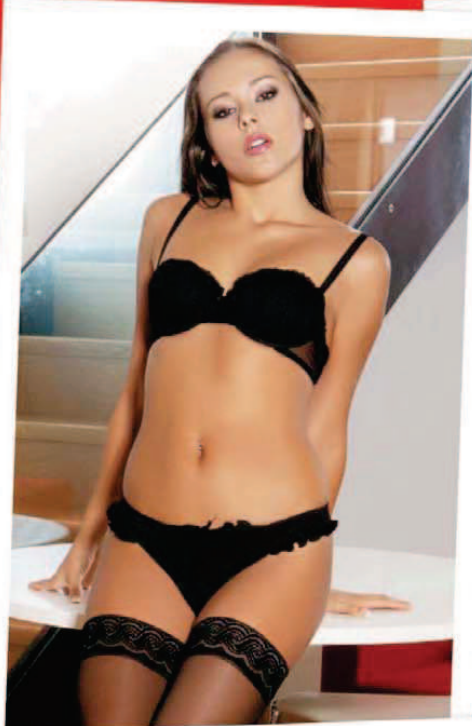

I knew my good friend, Mandy, from when we worked together in the same office. When she left her husband, I told her she could stay with my husband and I for a while. I didn't tell her the real reason why I wanted her to stay at my house, though. I was crazy about Mandy and wanted her as my first lesbian lover. I had my doubts about it actually happening. I loved my husband as well and it would have been too complicated for the quiet life I try to lead.

Still, it was good having Mandy around and helping her figure out how to navigate her divorce. Sometimes she walked around in only her short robe, with her gorgeous legs and bare feet at full view, not to mention that I could get a glimpse of her jiggly bosoms underneath her slightly opened robe. Also, since she didn't realize I wanted her, she didn't worry about getting naked most of the time, and I saw her three times going into the bathroom completely bare when my husband wasn't around.

I fantasized joining her in that shower, but it never happened. Instead, I would take a shower after her, thinking that she was lathering up her gorgeous, naked body only a little while before. I would see curls of her hair on the soap, and the floral aroma left by her shampoo. I would stand under the water and play with my pussy, and wish I had the courage to tell her how much I wanted to be kiss her mouth and suck her pussy. Maybe someday? Oh my god, I hope so. **"Lesbian Longings" – Virginia ♣**

By: Emma Edwards

It is no secret that Jenna Presley is hot. This former cheerleader, with girl-next-door charisma, a stellar natural body, and the ability to cover a room in her delectable squirt, has always been a fan favorite and rightfully so. In fact, you'd be hard pressed to find another starlet working today whose natural hunger for both men and women can be equally matched. Today she's opening up, like never before by giving us a closer look at the naughty nymphomaniac that lives inside. Enjoy the show!

Where did you grow up?  
I grew up in a town called Chula Vista in San Diego, California.

What made you decide to join the adult industry?  
I've always been a sexual person and started as a stripper. Since I lived so close to the border I'd go into Mexico and dance there. Then I started stripping at the Spearmint Rhino in Santa Barbara. It was there that I was approached by some producers who thought I'd be perfect for the "romance movies" they were producing. I went the

next day and learned it was porn. I did a solo scene that day.

Who did you perform your first sexual scene with?  
Honestly, I can't remember the name of the guy. We were both so nervous because it was the first sex scene for both of us. I do remember that it was a scene for Shane's World. We were on location on a mountaintop in San Francisco and the guy kept losing wood. I started freaking out thinking I wasn't turning him on. We had to finish the scene in his apartment. I loved it

though and wanted more.

How many people had you fucked before that first scene?  
I didn't have sex with many people in high school. I made up for it in college, though, by fucking so many hot college guys. I was extremely promiscuous and fucked all the time. I always practiced safe sex though.

Did that sexual promiscuity include girls?  
Actually it didn't, but I've always been into girls. It's kind of a funny, I'm very dominate around guys and very shy around girls. Girls

have this outstanding sexuality about them that makes me feel intimidated to approach them for sex. Porn has become my ice-breaker. Now I'm just set up with hot girls without the fear of rejection. I did hook up with one girl in high school. She licked my pussy a little bit, but my first time really fucking a girl was in porn.

How did your friends react when they found out about your new career choice? I didn't think anybody would find out, considering that I changed my name. Suddenly I started getting all of these messages on my My Space page from people

back home. I was already popular because I was a cheerleader but now all of the people who wouldn't talk to me in high school were dying to chat me up. Hmm, I wonder why? (laughing)

Who has been your favorite male performer to work with and why? Nick Manning. He is my best friend. We get along extremely well. He definitely knows how to bring the best out in me sexually. The first time I worked with him he started in with his dirty mouth during the scene and ended with his infamous line, "dropping loads!" I busted up laughing. It was great.

Who has been your favorite female performer to work with and why?

Scott St. James just shot me with Stephanie Swift. I think she is the total package. She tops it off for me because she's so damn sexy. That girl blows my mind. She actually grew up in the same town I grew up in. Imagine that!

What do you see yourself doing in five years?

I will definitely still be in porn. By that time I'd like to try my hand at directing and producing porn movies. I'd also like to have my own production company. In the midst of all of that I'd also like to sharpen up

my photography skills. Really, I've only just begun...

Do you enjoy masturbating? Oh, absolutely. My favorite toy is the magic wand. I rub it all over my clit and it feels amazing. I used it so much that I actually made my pussy cum like crazy because of all the blood flow to my clit. I definitely recommend it to any single girl. My boyfriends usually hate my toys because it puts them out of business.

What's the strangest object you've ever shoved up your pussy? I've never put anything odd in my pussy besides fingers and dildos, although I once

SHOOTING STARS  
**JENNA PRESLEY**

saw Belladonna shove a doll up her pussy and thought it looked pretty cool.

Is there anything you do in your personal life that you haven't done on film yet? Anal sex. I love anal sex in my personal life. I know that my fans are dying to see me do anal in my movies but it's just very personal to me. Perhaps I'll treat you all in a few years. When I do it though it will be exclusively for my website. I want to give you all something to look forward to.

Are you wilder on or off screen?

Both. What you see on camera is exactly how I am in my personal life. I'm equally wild and into sex. I just can't get enough.

I've personally witnessed you having squirting orgasms. When did you discover that you were a "squirter"? I'm a huge squirter. The first time I squirted I was extremely embarrassed because I had never seen it before and had no idea what it was. I thought I peed on the guy. It wasn't until I looked up and saw people clapping that I realized it was a good thing. Funny enough, the scene was with Nick Manning. After you've squirted once you can train yourself to do it again and again.

What can a person do to ensure you have a squirting orgasm?

So long as the cock is hitting my G-spot and I'm being fucked extremely hard I can squirt. My best squirting position is missionary.

Tell us about your new tits. I love them. They are my new best friends. I haven't named my puppies yet but will eventually. They are so fun. I play with them all the time.

What's the most fun you've ever had with your clothes on? I love dressing in sexy lingerie. I especially love little outfits where you can pull out your boobs or take

off your panties and still have your sexy outfit intact. It seems naughtier. By the way, I always keep my heels on!

What's the most spontaneous sex you've ever had? It happened when I was stripping. A guy I was seeing came into the club and we got it on in the back room. I took my panties off and sat on him. My skirt was covering the action. The manager kept walking by but I didn't care. We stayed there through 10 songs. I love having sex in public.

It's 1:40 in the afternoon. When was the last time you had sex? I got boned last night. Sex

The slit that  
launched  
1,000 loads!

Perhaps the luckiest dildo on the planet!

releases endorphins and makes me so damn happy.

In the 'school of sex,' which class would you be a great teacher for?

Blowjobs. Every time I give a guy a blowjob they swear it is the best one they've ever received. I even had a guy leave me a message saying that I do this spontaneous wiggle thing with my tongue that drove him wild. That is my signature move. When I get to the base I wiggle my tongue around the shaft using my tongue ring. Guys love it. I also make sure to keep the cock dripping wet with lots of spit.

What's your favorite sexual position? Why?

Honestly I'm so lazy that I love the missionary position. I wrap my legs around the guy's shoulders and that allows me to take the cock down nice and deep. I know people are going to hate to read that I'm lazy but the reward for fucking me in mish is a squirting orgasm. That sounds like a good trade to me!

What's your least favorite sexual position? Why?

It's probably spoon. I feel like the cock can't go deep enough in that position. I want to feel the entire cock fill up my pussy. That

position just doesn't allow that to happen for me. I like spooning in a romantic way but hate it in a sexual way.

Who are you dying to work with that you haven't yet?

I would love to fuck a rapper called The Game. He's gorgeous. I fucking love black guys! I've never done a black guy on camera but am dying to work with Lexington Steele or Mr. Marcus.

List the cast for the ultimate porn movie.

Jenna Jameson paired with Briana Banks. I'd also cast Kirsten Price to do an interracial anal scene with Lex and

of course Nick Manning and myself. I actually have thought about that question before. That movie would kick ass!

What can a person do to get you into bed?

Honestly, I'm so easy to get into bed it's ridiculous. If you are a cool guy that doesn't try to win me over with cheesy pick-up lines then you're in. Also, you must be extremely confident. Confidence is the sexiest attribute for me. ♣

## GIRL MEETS BOY

**STARRING:** Alektra Blue, Kaylani Lei, Angelina Valentine, Jayden Jaymes, Tori Black, Chris Johnson, Niko, Tee Reel, Tommy Gunn, Kyle Stone  
**DIRECTED BY:** Jonathan Morgan  
**AVAILABLE FROM:** Wicked Pictures

**COUPLES FRIENDLY  
HARDCORE HILARITY**

This couples friendly comedy directed by Jonathan Morgan, is all about sexy singles looking for love after failed attempts and broken hearts. Instead of sad faces and depressing dismay; what transpires instead, is laugh out loud hilarity and plenty of hardcore sex, led by the sexual grace and comedic timing of Alektra Blue and friends.

The energy begins on a high note when Alektra excuses herself to take a shower while Chris Johnson takes it upon himself to service the hot French maid, Kaylani Lei, in a myriad of sprawled out positions. Once caught red-handed, Chris defends himself by adding that the darling maid was due a tip after stellar turn-down service. Sounds right to me!

Later, Tori Black—who looks incredibly sexy in bridal lingerie—catapults the movie to the next level by getting her chocolate and vanilla serve on when fucking Tee Reel before her ceremony to Tommy Gunn commences. With wild sexual action, Tori gets fucked every which way, although her hottest display happens when Tee parks his pecker in her pretty mouth. Yummy!

Jayden Jaymes and Angelina Valentine, two fuckable foreign exchange chicks, also have their turn to tear up the big screen when they double up to give Kyle Stone some hot lesbian action. It's wet n' wild from the start and includes scads of labia licking and titty sucking. It's too bad that they've got Kyle Stone all tied up, rendering him unable to participate!

Alektra Blue is no shrinking violet herself, as she knocks it out of the park with two heated scenes. The first has her testing out the elasticity of her pussy when Niko pounds her in a sequence that has him playing the perfect man. Even though their love connection is hot, her final scene with Tommy Gunn is even

better. This is especially apparent when Tommy has her bent over a sofa to take multiple rounds of his full frontal assault!

**SUMMARY:** While Alektra and cast recount tales of love that has gone astray, an entire world of sexual possibility and comedy unfolds in this movie about finding love in the most unlikely of places. ♣

## I WAS A TEENAGE MILF

**STARRING:** Savanna Samson, Hannah West, Kayla Quinn, Courtney James, Deena Daniels, Scarlett Fay, Victoria Sin, Alex Gonz, Alan Stafford, Rocco Reed

**DIRECTED BY:** Paul Thomas

**AVAILABLE FROM:** Vivid Entertainment

### MILF ASPIRATIONS THREE-WAY DREAMS

Hannah West longs to be a hot teenage MILF like her roommate, Savanna Samson. What follows is her comedic sexual quest into the glorious life of MILFdom—as demonstrated through the keen eye of director, Paul Thomas. With funny sidelines and laughable goals to achieve, Hannah's out to learn that there's much more to being a MILF than one might suspect.

The movie begins on a high note with Alex Gonz being overtly hypnotized by Savanna's undeniable sex appeal, despite Hannah's disapproval. His lust leads him into a bedroom where she is face-wedged and finger-stuck up Kayla Quinn's experienced snatch. His prayers are answered the moment the ladies call him in to play hide the salami with them. What transpires next is hot three-way sex that leaves Kayla's ass gapping and Savanna foaming at the mouth.

When out and about to uncover the truth about MILFs, Hannah stumbles across an erotic interlude between Courtney James, Deena Daniels, and Alan Stafford in the middle of Stafford's adult novelty store. To keep out of view from the public, they take their loving in the back room where Alan fucks the shit out of the girls. Although decent, the awkward cumshot finish leaves much to be desired.

Rocco's romp in the laundry mat with Victoria Sin and Scarlett Fay is much better, and begins with the girls getting off on the vibration of the machines. Here, the trio fuck like champs, with Victoria going all anal, despite the fact that all of the sex happens on the cold tile floors!

In a last ditch attempt at achieving her goal, Hannah is joined by Savanna when they team up to please Alex Gonz. Their double blowjob session is exceptionally arousing, as is Savanna's ride in cowgirl. What transpires next is another round of decent three-way action that ultimately initiates Hannah once the jizz shower begins to fly.

**SUMMARY:** Hannah West longs to be a MILF and goes out on the town to discover how she might become one by examining the sexual do's and don'ts of a varied mix of people. Cute? Yes. Out of this world? No. ♣

## LESBIAN BRIDAL STORIES 4

**STARRING:** Prinzess, Renee Perez, Faye Reagan, Georgia Jones, Zoe Britton, Nikki Rhodes, Dana DeArmond, Bobbi Starr

**DIRECTED BY:** Not Credited

**AVAILABLE FROM:** Girlfriends Films

### LESBIAN COUPLES CANDID CONSUMMATION

What helps to make an all-lesbian movie really stand out is not just the level of passion exuded by both participants, but rather the level of sensuality and realism that is conveyed through the performers as well. This is precisely why a Girlfriends Films product is consistently thought of as one of the leaders in female erotica. Their commitment to excellence shines through in this one, the fourth

installment to this popular series. Here, hot lesbian couples tie the knot—and their legs—when they lovingly consummate their unions.

Most passionately displayed here are cover girls, Prinzess and Renee Perez. Not only are they fresh and beautiful to look at, but their combined adoration for one another is positively infectious. From the way they kiss to the way they explore each other's bodies; these girls are the epitome of connected girl-on-girl sex. Brava!

Despite the previous case of young love, Zoe Britton and Nikki Rhodes bring more of a sophisticated and seasoned level of lovemaking to their scene. This talent not only makes this a winning combination, but helps to solidify it as a memorable one as well. This sentiment is perfectly actualized with their skilled finger play, bringing out the best in each with their gorgeous body arrangement in the 69 position.

Faye Reagan—a common staple in Girlfriends Films—makes it virtually impossible not to fall in love with her. From her precious freckles to her puffy nipples, she is a virtual playground of erotic possibilities. Thankfully, Georgia Jones is well aware of that fact and takes full advantage of the beauty laid out before her while holding her own in the process.

Dana DeArmond and Bobbi Starr end the experience on an extremely high note. Together they exude playful passion for one another and an inherent love for kinkier bouts of lesbian sex. This is shown through their flexible movements and playful fingering sessions that are sure to please.

**SUMMARY:** Through realism, sensuality and passion, four female couples tie the knot and consummate their unions in a way that is a true testament to what lesbian sex can aspire to when done with heart and emotion. ♣

## MAKE ME CUM PLEASE

**STARRING:** Zuzana Z, Gina, Eve Smile, Eve Angel, Kathia Nobili, Jo, LuLu Martinez, Debbie White, Esmeralda, Blue Angel, Cindy Hope, Kissy, Mya Diamond, Black Angelika

**DIRECTED BY:** Not Credited

**AVAILABLE FROM:** Lesbian Provocateur

### EURO HOTTIES / LESBIAN SEX

For those fans that are really into lesbian sex, *Make Me Cum Please* will certainly satiate the palate. Through seven hot scenes and fourteen featured girls, there will undoubtedly be a female pairing suitable for any and every appetite. Although most of the sex demonstrated throughout is exceptionally hot, there are a few instances where the chemistry is lacking and the sex seems more sleepy than sensual.

This is clearly not the case for Eve Smile and Eve Angel. Together, these naughty girls dominate the production in the movie's hottest scene that goes down in a jail cell. With sexy costuming and excellent internal GPS systems for navigating snatch, the ladies go at it like feral cats when eating, stuffing, and probing each other with fingers, tongues—and a nightstick! It's a sight to behold from start to finish.

Cindy Hope and Krissey also look damn good while doing the deed, especially when they are stacked up like pancakes to munch on each other's sticky holes. Their perfect bodies writhing against each other adds to the fantasy, while their passionate lust for labia is demonstrated through multiple positions and genuine emotion.

Black Angelika and Mya Diamond are another pair of lesbian heartthrobs that take their sex to the highest level possible. Not only does their passionate kissing have

what it takes to melt the screen, but their general mastering of the strap-on dick will certainly have tongues wagging. Instead of fake fucking one other with the faux-cock, these girls really go at it and don't stop until the girl gloss starts to gush.

Although LuLu Martinez seems at home while shoving a club up Debbie White's butt, their chemistry is only mediocre at best. Fake moans and contrived positions make it clear that these girls are in a race to finish up and call it a day.

Zuzana Z and Gina do slightly better, although they still can't hold a candle to the other performers who clearly brought their A-Game.

**SUMMARY:** Sensual scenarios, beautiful locations, and sexy lesbians are sprinkled throughout. Although some girls give it their all, others may be better off sticking with cock instead of dabbling with pussies. ♣

## WHITE MOMMAS 2

**STARRING:** Julia Ann, Kylie Ireland, Shayla Laveaux, Chloe, Roxxanne Bliss, L.T.

**DIRECTED BY:** L.T.

**AVAILABLE FROM:** Elegant Angel

### MEGA MILFS INTERRACIAL SMACKDOWN

Watching seasoned players take the heat has become one of my favorite pastimes. Although it is very easy to make a MILF movie look stale and outdated, it is also possible to turn out a movie that has enough hardcore heat to light up Los Angeles. The latter is what we've got here.

In this movie, Julia Ann and Kylie Ireland are staple performers mixed in

with a resurgence of porn legends from the past, such as Chloe and Shayla Laveaux. So, not only does director, L.T. get the opportunity to direct such beloved babes, he has the opportunity to fuck them as well, which turns out to be a match made in porno heaven.

Barreling out first is Shayla Laveaux popping her interracial cherry. As if there were any questions about her sexual abilities, Shayla takes to L.T.'s cock like a fish to water. She mouths his meat until her eyes bulge, and takes him deep when curled up on her desk to take a licking in spoon. Needless to say, it's quite an initiation into the "brotha club."

On the flipside, Kylie Ireland—a girl who is no stranger to black dick—is up next. Here she does more to L.T. than just

perform a routine examination. Before long, L.T. is riding out the curves of her ass in multiple positions, while she plugs her pussy for a makeshift DP session that is incredibly hot!

Later, Julia Ann can be found administering her female persuasion when buckling over to get a throatful of L.T.'s sweet chocolate bar. Once her mouth is satiated, she gives her pussy a go, and later her ass, in a sequence that turns out to be as dynamic as she is.

Roxxanne Bliss also has a few heated moments with L.T., although it's Chloe's vigorous anal roundup that winds up turning up the most heat, qualifying her scene as the best in show!

**SUMMARY:** Interracial MILF action that is as hot as they come! ♣

## YOUNG GIRLS NEXT DOOR

**STARRING:** Dani Jensen, Marie McCray, Audrianna Angel, Natasha Nice, Lily Lovely, Danny Mountain, Evan Stone, Steven St. Croix, Anthony Rosano, Jay Lassiter

**DIRECTED BY:** Andre Madness

**AVAILABLE FROM:** Adam & Eve Pictures

### YOUNG GIRLS / COUPLES ACTION

Celebrating the sweet birds of youth seems a winning proposition. It also makes for a great setup when it's done correctly and in a way that makes the girls look more fresh and natural than glamorous and made up. Director, Andre Madness, carefully weaves this web, adding enough appeal to keep the girls glossy while still maintaining a more

realistic feel to the actual sex. The inclusion of industry veterans such as Steven St. Croix and Evan Stone may also add appeal to fans that enjoy seeing older men scoring with younger chicks once in a while.

Without question, Dani Jensen leads the pack by giving a heart pounding performance when paired with Anthony Rosano. Instead of shying away from his more aggressive manner, Dani welcomes it and does her best work when riding his pony in cowgirl position. The cool water and blue sky backdrop only adds to the heightened level of spontaneity that their sex act exudes.

Marie McCray comes in a close second to her predecessor when she scores major points with Evan Stone. He takes her for the ride of her life and treats her to the thrills of an experienced cock. He is in complete control from the start, except

for when she gives a spirited ride in reverse cowgirl. For most of their completely sexy scene, she looks more like his fuck doll than an actual girl.

This makes for a great segue into watching Audrianna Angel secure her Latina lips around Steven St. Croix's cock. With incredible oral skills and an obvious shared attraction, Audrianna is eye-catching in her scene. She gives as good as she gets, while darting towards the cum shower instead of running away from it.

Natasha Nice also looks good when Jay Lassiter has her tits swaying in doggie, as does Lily Lovely when Danny Mountain buries his face between her melons and blows.

**SUMMARY:** Young girls fuck and suck hard in a movie that does a good job at capturing the virility of youth. Hot—but not over the top. ♣

# ANGY & TIMO

Angy's always been a bit of risk taker. When she met her first boyfriend, she blew him in the back of a parking lot. When she met her second boyfriend, she fucked him in a stock room at work. Now that she's a little more experienced though, she's getting more experimental with her holes. Never one to slow down, Angy's on boyfriend number 12, and this time, her asshole is the prime target of her sexual adventures. Timo, always ready for a challenge, stuffs his prick in her mouth and cunt just to get things all slicked up and ready. A quick lap of the tongue against her starfish lubes things up just enough and before she knows it, Angy's excursion into the world of anal sex is underway! A big load of cum dropped deeply inside the sphincter is the only telltale token that her tush has been taken. ♣

## ON THE SET OF A WESTERN TOWN RUN BY SLIT LICKING LESBIANS!

26420

### **ROAD QUEEN 13**

**STARRING:** Samantha Ryan, Rayveness, Dana DeArmond, Deauxma, Allie Haze, Hayden Night, India Summers

**DIRECTED BY:** Dan O'Connell

**AVAILABLE:** Girlfriends Films

Imagine a quaint Western town, complete with wild buffalo, saloons, old-fashioned filling stations, and enough country poon to satiate any appetite. This is the picturesque landscape for the thirteenth installment to Girlfriends Films winning series, *Road Queen*, whereby we get to follow the sexual adventures of various women as they travel through girlvana in search of a better life. With each new installment, a new band of gorgeous lesbians are not only seduced by the charms of the simpler country life, but are emphatically won over by the hot lesbians that run the town from top to bottom. In other words, we've been cordially invited by one of the leading companies of lesbian erotica to witness a land where horny women and realistic sex reign supreme. With an invitation as fine as this, who could resist?

Today, clad in a short skirt and cowboy boots, I enter the bustling Western town where the first two scenes of the movie are going to take place later in the day. After a short golf cart ride to the action, I'm immediately immersed in a lesbian world that is literally bubbling over with gorgeous gals. There's Dana DeArmond in the corner, completely naked, rubbing silky lotion down her legs and around her inner thighs. Allie Haze stands nearby, trying to shove her young tits into a lace bra; while their newest contract girl, Rayveness, is moments away from eating me alive. Hell, even the camera

Alright, pin your feet behind your ears and get your cunt licked!  
Haha, didn't say, "Simon says!"

and lighting crews are girls. As far as I can see, the only men here are the director, Dan O'Connell, and the production manager.

Right as I'm about to go in and help Dana massage some lotion into her bubble butt, O'Connell whisks her away while saying, "It's time for your pretty girls shots." I follow the duo closely and take a seat right next to the photographer. Like a pro, Dana snaps right into action by posing and strutting her stuff against the classic car—the actual Road Queen. Looking in my direction, she cups her natural breasts in her hands and wiggles her hips back and forth. "Do I look alright?" she asks while biting her pinky finger. All I can do is adjust my skirt and nod as quickly as possible. And yes, Dana looks fantastic!

As Dana's shorts come down and her legs spread, cougar fantasy girl, Deauxma, squats along side me and revels in the beautiful beaver that is spread out inches from our faces. "That's one

hot piece of ass!" Deauxma compliments, licking her chops and covertly planning her attack against the younger piece of meat. We stay there for a while longer and watch Dana go through a few more clothing changes before Deauxma is called onto the set to pose for her photographs as well.

In an attempt to arouse the interest of the other girls, Deauxma stands her ground and exudes sexual exuberance from every pore. Once her top lowers to her stomach, the true source of her power is revealed in what can only be described as humongous hooters from heaven! Like a true seductress, Deauxma knows how to work her body. With little direction needed, Deauxma bends and twists into and out of fantastic positions that show off her well-toned frame. Petite Allie Haze, Deauxma's fuck du jour, seems almost hypnotized and hungered by the mega mammaries on display. "I suddenly have a craving for milk," the young goddess jokes as her

demeanor softens and her legs open. "Allie, are you excited to fuck Deauxma today?" O'Connell asks, as Allie lights up like a Christmas tree and begs, "Oh my gosh yes...When? When?"

Knowing that Deauxma and Allie have been hot for each other all day and are now acting like two feral cats starving for their tuna dinner, O'Connell decides that now is the perfect opportunity to unleash the ladies on each other. Their interlude begins by a gorgeous lake, surrounded by lush plants and country boulders. With a picnic blanket spread across the grass and two glasses of fine wine waiting, this seduction scene is ready to win us over.

Deauxma takes the dominant role from the start and begins by planting soft kisses over Allie's lips. "Your mouth tastes as sweet as sugar," Deauxma compliments, as she runs her tongue along the plump edge of Allie's bottom lip. At this point, Allie is melting like a stick of butter and is treating her lover

to the same oral play. It doesn't take long before Allie has her face buried in Deauxma's tits and is squeezing both mounds together against the sides of her face. "Ahh, you like my big breasts!" Deauxma whispers, cupping the round flesh into her hands while feeding Allie her sharp nipples. "Des tits are fabulush," Allie comically mouths, as she continues to smother herself in titty meat.

As the suckling commences, Deauxma scoops her hand underneath Allie's dress and begins to paw at her pussy. Allie pulls her dress up to give Deauxma a better look. "Do you want to see more?" Allie asks. With a smile from ear to ear, Deauxma slowly begins to slide Allie's panties down. Eager for the beaver that is half her age, Deauxma is pleasantly surprised when a glossy pussy stringer dangles from Allie's clam to the thin fabric of Allie's panties. "You're so wet!" Deauxma purrs, as she licks her fingers and gently works her

digits inside of Allie's hole. To ensure the puddle between Allie's legs continues to run, Deauxma kisses the nape of her neck then makes her way around her small boobs and over her naval before finally resting her tongue over Allie's swollen clit.

"Tongue fuck me," Allie pleads, while resting back on her elbows and holding Deauxma's head in place. "I've never been eaten out like this before," Allie continues, immediately quivering once the onslaught of her first orgasm washes over her body. Sweet!

After a while, Allie treats Deauxma to the same oral love before the two lie on top of each other, humping their bodies against one another until both ladies have conjured up enough cum to cement their slits together permanently. It's a great first scene!

With such a heated display, the entire cast and crew are all revved up and more anxious than ever to fuck each other silly. As Dana and Hayden Night

get ready for their scene, Rayveness takes her spot in front of the Road Queen to show us all what she's made of. Considering that Rayveness is Girlfriends Films first ever contract star, she is anxious to prove that she is still one hot commodity after nearly two decades in the adult industry! Instead of simply posing for pictures like the other girls, Rayveness takes things a step further by jabbing her fingers inside of herself every now and again for some hot personal action. At one point, her middle finger is wedged up so high that it comes out dripping wet to everyone's delight. I guess it's safe to assume that this slut owns her sexuality.

After at least ten more minutes of amazing solo action, Dana DeArmond and Hayden Night are led to a bedroom where their interlude will begin. Just like Deauxma before, Dana DeArmond is a sexual powerhouse. Hayden quickly becomes aware of this fact as soon as action is called to their set. Like a moth

And the pussy picnic gets underway.  
Who brought the iced tea? Who gives a fuck!

to the flame, Dana has Hayden on her back and is face deep inside of Hayden's pussy. Flopping around like a flounder, Dana holds Hayden down by the arms while chugging on her clit like a chain-saw. "Take it. Take it!" Dana warns. Hayden, not knowing what to do, begins to scream as all of the sexual sensation that has been building up in her body begins to pour out in a constant stream of gash gush. "Ahhh, this is what I wanted!" Dana claps as she loudly sucks her way around Hayden's soggy slit.

Before Hayden has time to gain her composure or catch her breath, Dana flips Hayden on her back and bucks her hips into her big ass while kissing the freckles on her shoulders. "I love freckles and want to kiss every one!" Dana says, as Hayden giggles at the tickling sensation of Dana's mouth.

When finished here, Hayden surprises us all by play wrestling Dana into hard-

core submission, slamming her onto her back. With her legs pinned up behind her ears, Hayden goes in for the kill. With an expert tongue and an internal compass especially designed for pussy navigation, Hayden does an incredible job at servicing Dana's experienced pussy. "Damn it, keep going. Please keep going!" Dana begins to scream, while squinting her eyes and curling her toes. After a few more seconds of intense oral action, Dana releases a monster orgasm that seemed to originate at her feet and work its way up. With a reddened face to match her puffy pussy, the girls end their scene in a loving embrace and with sticky wet sheets that prove these girls got down and got dirty.

It is after this scene where I peel myself off my chair and bid these hot lesbians farewell. After such intense fucking and such a picturesque setting,

this thirteenth installment of *Road Queen* definitely packs enough heat to stand up against its award-winning predecessors. Also included in this movie are two more scenes that have Rayveness matched up against Samantha Ryan and Allie Haze spreading wide for India Summers.

From start to finish, this movie is a breath of fresh air that has all of the sexual points covered. For those of you interested in plot development, the movie also includes an exciting storyline to help keep the production moving forward. But with chicks as hot as this, who needs the dialogue? With the gals of *Road Queen 13* eager to please, it's time to press play and spray! ♣

# NIKKI & JAMES

Darling Nikki has had a crush on James for as long as she could remember. Ever since they started the same job on the same day, her pussy would get wet the minute she saw him. Two months into the gig, James got up the courage to ask her out and now he gets to slip his jimmy inside her jellyroll. Was he surprised that the quiet, innocent-looking financial executive demanded that both of her holes be stuffed? Yes. Was he delighted when she allowed him to go from her cunt to her asshole with his cock and a dildo, again and again, cramming her to the hilt all night? You bet! And did either say a thing about it the next day at work? No, sir! See, to keep the gash gravy train going, you gotta keep quiet! And as long as all of Nikki's holes are in play, James will be a very silent man. ♠

## THE GRATITUDE LOAD

Don't believe everything you hear in the media. Lots of super-hot chicks like normal-looking guys. I give regular dudes a crack at me all the time. You just have to speak up, gentlemen! I admire guys who reach for something out of their league. It's like guys who climb impossible mountains. They're admirable, right? Think of a hottie as Mount Everest. Get out your climbing gear and you just might reach the top.

If you saw me on the street the other day, you would have gone nuts! I was on my way to an audition and I was hailing a cab on Broadway near Times Square in New York City. I was wearing my

most killer dress: A tight, gray turtleneck jersey dress that comes down to the middle of my thighs, with a wide black belt cinching my waist. This dress hugs every curve of my 38-23-37 body; and I accented it with black tights and black stiletto booties. I knew I looked outrageously good and I flaunted it. Let me put it this way: The construction workers at the corner were too stunned to even whistle. I tossed my black hair off my eyes and smiled while I maneuvered my legs into the cab.

At the audition hall, there was a guy named Arnie who caught my eye. He was in his late 30s with thinning hair, an average body and sensitive eyes. He was reading for

## MARISSA, CRAIG & SAM

Some girls love to fuck, but Marissa is a flat-out craven cock whore. See, while most girls enjoy getting laid, Marissa takes it to a whole new level each and every time she slips out of her panties. Take a long look at how she takes two dicks as greedily as she can. Marissa, sweetie, there's no such thing as a shortage of cock. But, for the time being, she was sucking and fucking dick as though penis was going extinct. Maybe she's a true nympho and she just can't get enough. Maybe she's just a slut. Either way, two batches in the face must surely satiate this saucy slit, right? Wrong, 'cause right after this shoot, she was on the phone with her next cunt conquest!

some Off Broadway drama and I wanted him immediately. There's no thrill in giving myself to a guy who can get any woman. I was one of the hottest women in Manhattan that day, and I was a prize that was going to be appreciated. I don't have to prove anything to anybody with the men I choose. Arnie and I decided to meet for coffee after our auditions were over. As it turned out, he got a callback, but I didn't. That's show biz.

Coffee was good which led to a nice Italian dinner. Arnie looked like he was high on life. He was probably going to snag a good role, and I think he knew he was about to snag me as well! He kept blinking when he looked at me in that tight jersey dress, as if he

thought I was a mirage. However, I was no mirage to him once we got back to my place later that evening. I let him kiss me the moment we were in the door, and I felt his hands moving hungrily all over my body. I love having these big breasts, narrow waist, and a full round apple booty. Arnie squeezed every inch of me as we stood there in the hallway, and I loved it. He was a good, deep kisser too—not sloppy, but hot. When he clamped his hand between my legs through the dress, I knew it was time to disrobe.

Even the most confident girl hopes she doesn't disappoint. I stripped for Arnie while he sat naked on the chair at my vanity table, and I could tell he liked what he saw in its natural state as much as when he saw it covered in that dress. He held up his hands to me, palms up, and I moved close so that he could cup my boobs in his fingers. I smushed my bosom against his face and he was soon sucking my nipples while I reached down and stroked his cock, as if a prick that stiff needed any more stroking!

I led him to the bed and put him

**“Arnie squeezed every inch of me as we stood there in the hallway, and I loved it.”**

on his back. I opened my legs and braced myself wide as I straddled his rod, then all I had to do was let him press his prick tip against my slit and my lips opened and took him in. Arnie's eyes widened as he blinked at the wonderful sensations. At that moment, I reached down and lifted his hands to my breasts, putting my nipples in his fingers, telling him to pull and squeeze them.

I knew he wasn't going to last long that first time, but that was okay. The first cum is always the gratitude load, and I can understand it. All I had to do was move up and down for just a few minutes and Arnie looked like he was almost about to burst! I have that effect on men. A short intake of breath from him and I could feel his cock twitching in my honey box, painting me deep inside. What a wonderful feeling it is to be appreciated!

## THE SON ALSO RISES

I had just moved out to California from Illinois to try my luck at acting, and like something out of a fairy tale, I was sitting in an outdoor burger place on Sunset Boulevard one Sunday afternoon when I got invited to a party high up in the Hollywood Hills by three girls who were sitting at the next table drinking sodas. They were on their way to a party and they thought I was cute and asked if I wanted to come along! They seemed goofy but cool, so I said okay. I crossed my fingers behind my back, hoping I wasn't making a stupid mistake.

I was impressed when we got to the house. It was gorgeous and full of pretty people. The host was a well-known tv star and I tried not to gush. I'd seen his show lots of times and had even masturbated to recordings I'd made of his sexiest performances! He was in his late 40s, a lot older than me, but still super-sexy. In real life, he couldn't have been more charming as he showed me to a dressing room that was stocked with bikinis since I didn't bring my own.

The pool was beautiful and warm. It wasn't a problem that I didn't know anybody because lots of pretty people came up to me, even though I lost track of the girls who brought me.

The bikini looked great, and I had a couple of pina colodas. The host sat down on the pool chair next to me and asked about my plans; why I was in Cali, etc. People left us alone and we talked seriously about show business. He said he'd refer me to a good agent. Coincidentally, a younger guy came over who was the host's son! It turned out the host was married, but he wanted me to meet his son because he thought we would get along, too. We sure did! His son looked

**"He was about to close the door and leave me alone in the cool room but I suddenly took him by the arm and pulled him to me."**

a little like the host, though handsome in his own boyish way. He wasn't into acting but studying international politics at a local college.

The heat and sunshine got to me, and the son led me upstairs to lay down awhile in the air conditioning. He was about to close the door and leave me alone in the cool room but I suddenly took him by the arm and pulled him to me. I wasn't sure if it was a smart thing to do, but he was so hot that I couldn't

take it anymore. I guess maybe I was a little disappointed that his tv star father was married, so I wanted to have the son. Not that he was any less worth it! I was horny and maybe a little crazy and I had him suck on my titties while I stroked his cock through his trunks. Then I pulled out his long, red cock and I twisted my body around on the bed to suck him. He got up and locked the door so nobody would interrupt us. Before he even got down on the bed again I was holding his cock and sucking him, playing with his balls and pressing his thing between my tits. I do have beautiful boobs—that's one reason I thought it might be a good thing to try out the acting business, and this young guy really got into moving his cock between them! His prick went up and down between my cleavage, and in and out of my lips. Finally, I pulled off the whole bikini and tugged him on top of me. I lifted my legs up so that he could put his dick inside, and he felt so hard and slick, I completely forgot about wanting to fuck his father. It was so good to feel him banging me. I felt like I had arrived in Hollywood and that this life was going to be exciting. I kept putting it out of my mind that maybe it wasn't such a good move to just fuck somebody at the first party I went to, but I couldn't help myself. I wondered if he would tell his father that he'd fucked me.

We switched positions and I got on top. As I looked down, I realized he looked a little more like his father than I thought at first. But, he was good on his own terms and really knew how to fuck a girl, even from the bottom. He held my titties in his hands and I kneeled over his crotch. He pumped up and down inside me and I hardly had to move at all. Finally, when he was close to cumming, I pulled myself off him and grabbed his cock, watching all his cum spurt out on my hand. I licked it off and thought this was a reckless way to start off a novice acting life filled with Hollywood parties!

# MY SEX LIFE!

## "DIRTY DIANA!"

Last night while my boyfriend was at work, I found myself craving my friend, Diana's, hairy slit. I called her up immediately and lured her over with the thrill of a surprise. When Diana arrived, I positioned her on the edge of the bathtub and slid her panties to her ankles. With her legs spread out before me, I worked a rich, frothy lather into her blonde pubes and was sure to pay close attention to her puffy clit. Once the shampoo was worked in, I turned on the faucet and rinsed her pussy clean. The sexy medley of the cool water and my naughty fingers had her toes curling and her nipples jutting out.

With dripping wet pussy curls, I led Diana to the sink. I turned on my hair dryer and bushed her pubes into a glorious crown of fluffy hair. With her pussy now in tiptop shape, I told her it was time for her surprise.

"I'm going to give you a Brazilian pussy!" I teased, spraying the white foam over her blonde clam. After kissing her muff goodbye and getting a few hairs stuck between my teeth, I covered Diana's nectar with the minty fresh lather. Stroke by stroke, I shaved her clean until all that was left was a freshly shaven slit that was as smooth as silk. She stroked her hands over her hairless hole and purred, "That's one beautiful puss!"

Once clean and dripping wet from the experience, I slammed my tongue up Diana's beaver and didn't stop until she came all over my face. Luckily for me, I was treated to the same oral delights. The only difference was that dirty Diana went straight for my asshole instead. **"Muff Mower" - Maine ♣**

HEATHER  
& BOBBY

Sweet Heather is about to fuck her next-door neighbor, Bobby. Don't tell anyone though, 'cause Bobby is friends with Heather's dad. It would be really devastating to dear old daddy if he knew that his neighbor was poking his prick into his precious princess. It would break his heart if he knew she was sucking the cum right out of Bobby's boner. And, yes, the neighborly goodwill would be gone the second he knew that his girl's gash and grill was all gunked up with Bobby's goo. So, look all you want and hope that one day, Heather moves in next-door to you! ♣
